

Audition Sides - Cosmo, Don, Kathy

START

(to DON)

Well... convincing?

COSMO

DON

Enchanting. Why?

COSMO

Don't you get it? Use Kathy's voice. Lina just moves her mouth and Kathy's voice comes out, singing and talking for her.

KATHY

That's wonderful.

DON

No – no. I couldn't let you do it, Kathy.

KATHY

Why not?

DON

Because you wouldn't be seen. You'd be throwing away your own career.

KATHY

It has nothing to do with my career. It's only for one picture. The important thing now is to save *The Dueling Cavalier*, save Lockwood and Lamont.

COSMO

Yeah.

DON

Well, if it's only for this one picture. Do you think it'll get by?

KATHY

Of course it will.

COSMO

Sure. And it's simple to work the numbers. All you gotta do is dance around Lina and teach her how to bow.

DON

All right. We'll go to R.F. and spring it on him in the morning.

COSMO

Well, it's three AM, in the morning... Almost my bedtime... I best be going.
